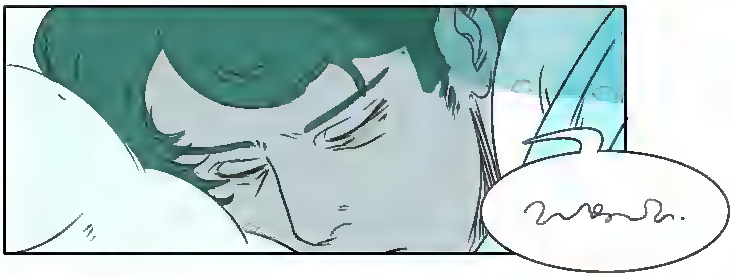
Nate, wake up

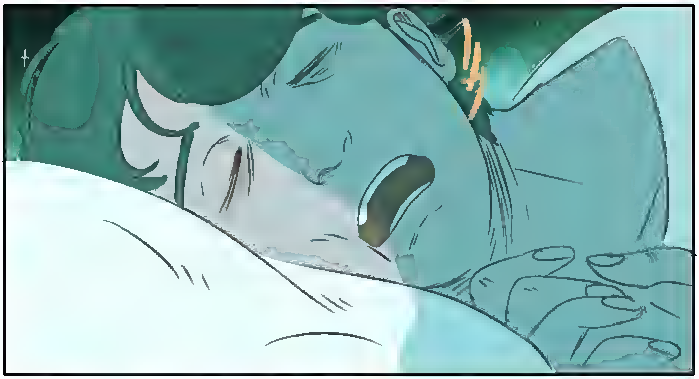
Ughh

Nate..



NATE!
What?
Nate—
You fell asleep didn't you

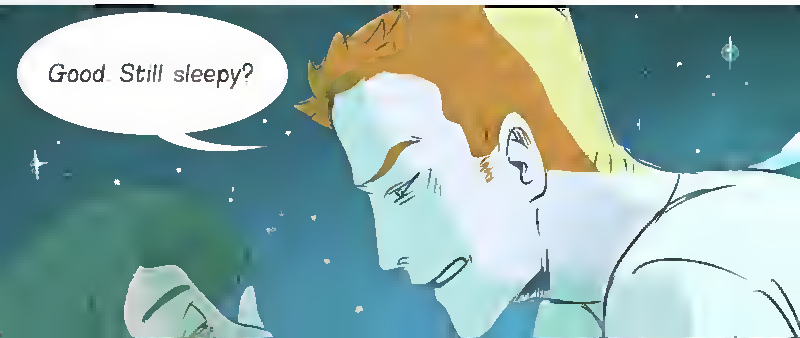
Yeah, but—
Dude, it's fine
It happens
We'll try again
tomorrow
No Nate, listen



DING

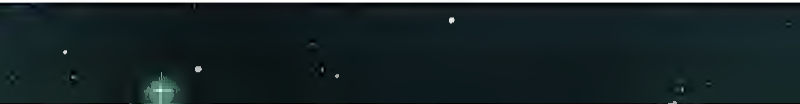
NATE GET UP!
WHAT ARE YOU DOING?
Nate, look at me

Aaei Ehm.



Good. Still sleepy?

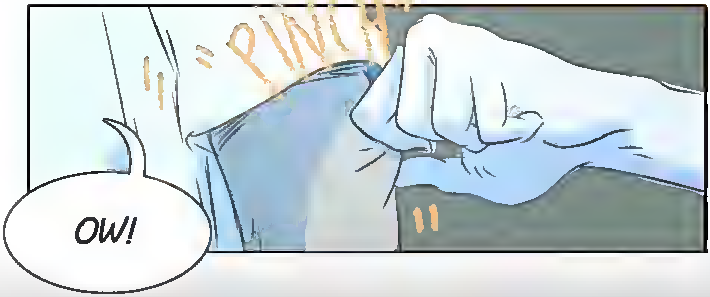
No
Awesome
Now, look behind me
What do you see?



Oh my god!
I know!

So it's real then
I guess so

Let's check!



Definitely, real then

Holy shit

It's an island

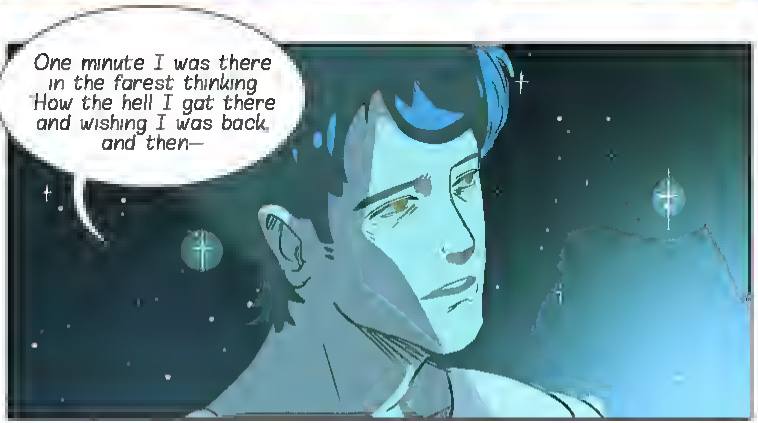
Yeah
We're in an island
I know, you said that already
My phone has no service
You told me
This is so cool
Yeah

So how do we get back?
I don't know

Okay. What did it feel like the first time when you were in the forest?
I didn't really think about it, Car It happened really fast

Try Nate. we've got nothing but time anyway

I'm really not sure Car



One minute I was there in the forest thinking How the hell I got there and wishing I was back and then—

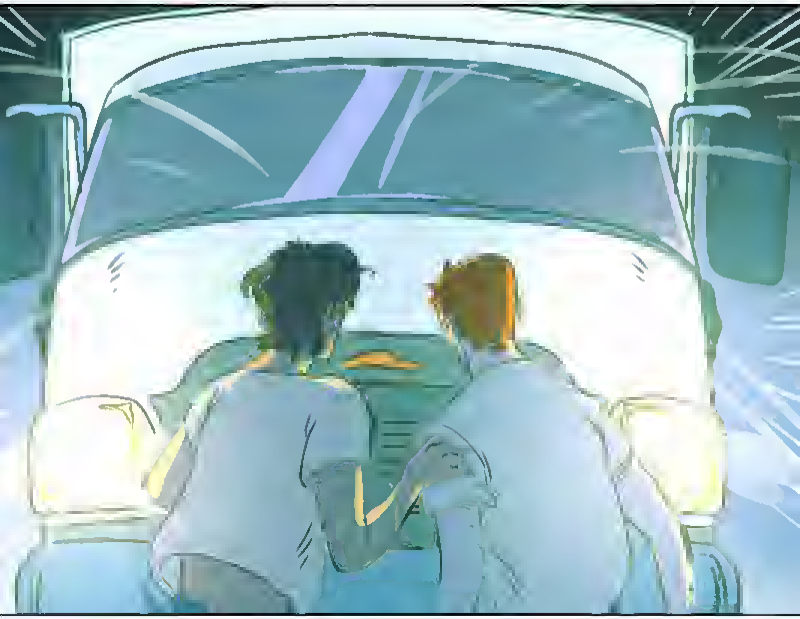
"TUG"

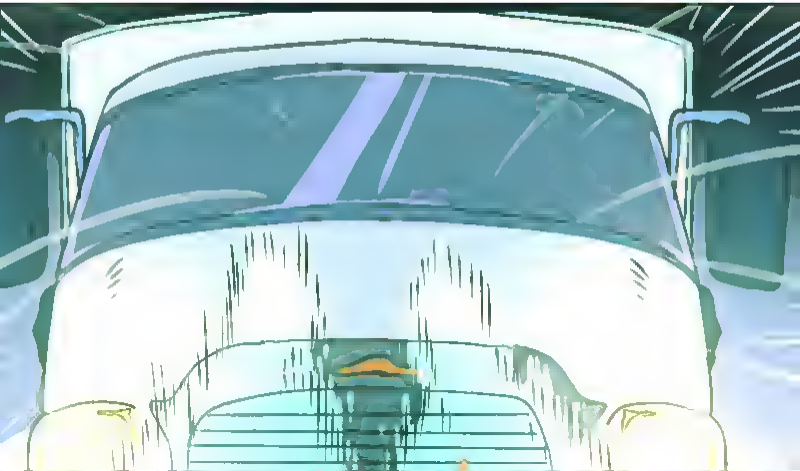
HONK

HONK

HOOONK!!

GRIP

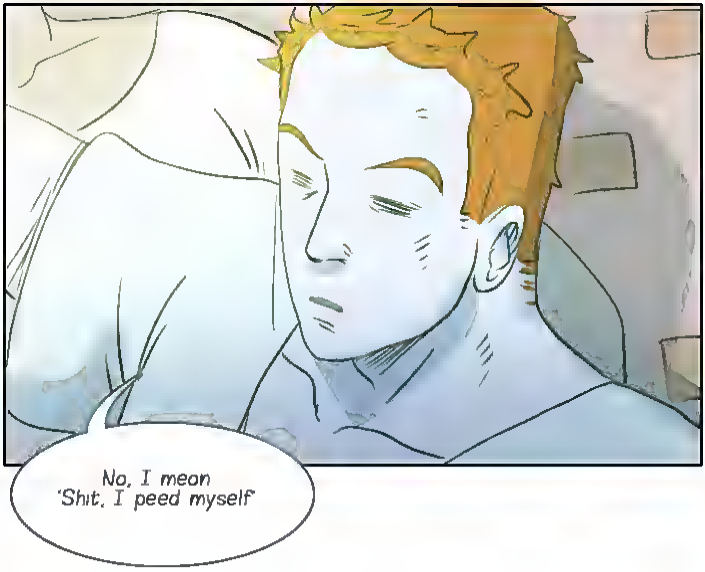




103

OH MY GOD.
We're alive?
I-I think so

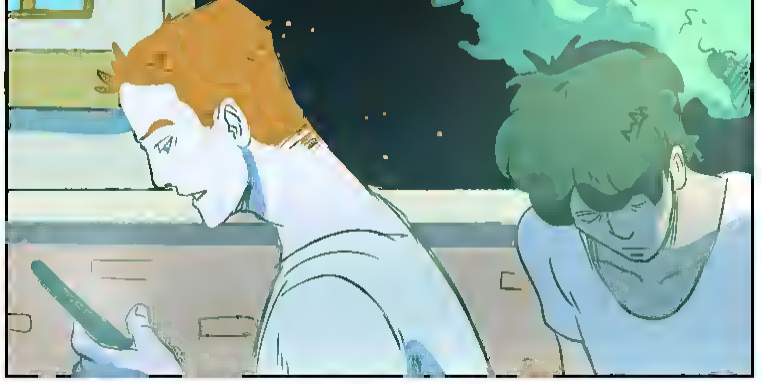
H-how?
I-I don't know
Shit
Yeah



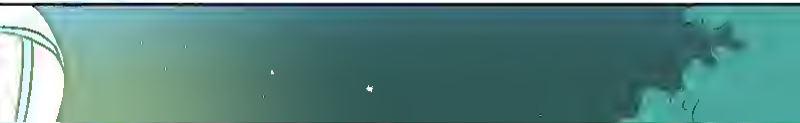
No, I mean
'Shit, I peed myself'

I think I did too
Pffftt
103

Rustle



I don't know about you, but I'm done for the day. No more adventuring.
Yeah, me too.



Ugh, walking on wet shorts is the worst
Come on, let's head home, change, get some sleep, and maybe cry about our near death experience in the morning
Yeah

Yeah, sleeping in a comfortable bed sounds really good right now
